## SKILLS

---

- Web Dev: **MERN STACK**
- Cloud Services: **AWS**
- OS Platforms: **Linux (Ubuntu, CentOS, AWS Linux)**
- Deployment tools: **Jenkins & GitLab**
- Database: **MySQL & Mongo**
- Web Servers: **Apache2 & Node**

## EDUCATION

---

- **Bachelor of Computer Applications (IGNOU)** – New Delhi [Pursuing]
- **Diploma** in Software Engineering - **NIIT** New Delhi

## EXPERIENCE

---

- **DevOps | Techme24x7** [Feb 2022 – June 2023]

I have experience working with **AWS Cloud Services**, specializing in IAAS and DevOps tools such as **Jenkins, GitLab, Virtual Machines, Apache2 Servers, Tomcat Servers, and Node Servers**. I have successfully set up **MySQL server replication** and worked on **live streaming, recorded video streaming, and infrastructure monitoring setups**.
